Our team provide different types of services such as:

- professional cracking of any kind of software (CAD,CAM,CAE,EDA,GIS,PCB,FEA,FEM,CNC,CFD,PDS,3D,Optics etc.) designed for any kind of operating systems(Windows 95/98/ME/2000/XP, Linux, FreeBSD, OS/2, MAC OS etc.)
- producing keygens, licenses for different protection systems (FlexLM, SentinelLM, ElanLM, CrypKey, etc.)
- producing emulators for any kind of dongles (SentinelPro, SentinelSuperPro, Hasp4, Hardlock, WIBU, Guardant, etc.)
- quality reverse engineering (decompilation of programs, algorithms reconstruction, etc.)
- any other reverse engineering services...

Also we have an excellent relationship with all our customers and we always happy to help them solve their problems. Our skills and experince will help you make a valuable contribution to your business.

All soft we offer have been completely cracked and tested carefully by expert in corresponding field. All programs are full copies of originals (not demo, evaluation, trial or educational version) including English or multilanguage tutorial and crack or license file that makes program work as registered software from the house.

Here is just a part of our software list.For getting the additional information, view our software list and ordering programs just visit our WEBSITE:
