Jewish Gangsters Raped, Killed Children As Young As Two On Film

Rome, Italy -- Italian and Russian police, working together, broke up a ring of Jewish gangsters who had been involved in the manufacture of child rape and snuff pornography.

Three Russian Jews and eight Italian Jews were arrested after police discovered they had been kidnapping non-Jewish children between the ages of two and five years from Russian orphanages, raping the children, and then murdering them on film. Mostly non-Jewish customers, including 1,700 nationwide, 600 in Italy, and an unknown number in the United States, paid as much as \$20,000 per film to watch little children being raped and murdered.

Jewish officials in a major Italian news agency tried to cover the story up, but were circumvented by Italian news reporters, who broadcast scenes from the films live at prime time on Italian television to more than 11 million Italian viewers. Jewish officials then fired the executives responsible, claiming they were spreading "blood libel."

Throughout history, various groups have accused sects of Jews of ritually murdering small children. One such account, that of Hugh of Lincoln, led to the expulsion of all Jews from Britain in the 13th Century. Such accounts have generally been discounted, but are so widespread that Jewish organizations have developed a name for them -- "blood libel."

Though AP and Reuters both ran stories on the episode, US media conglomerates refused to carry the story on television news, again saying the story would prejudice Americans against Jews.

Jewish gangsters in Russia have become increasingly linked to traffic in "white slaves" and prostitutes through Israel, according to a recent report in the Jerusalem Post. Israel turns an official blind eye to forced prostitution, and does not punish Israeli citizens who choose to

own "sex slaves" as long as the slaves are foreign and non-Jews.
