Who appointed this fuck the title of Moderator of ASC?

He seems to think that he is, given this and the "cross-post"  
reply he  
recently made in another thread.

Who appointed you moderator of the moderator?

I think I speak for everyone when I say neither of you speaks for everyone.

;~)

R.

I never thought I did, however I do believe that most people here would agree that business posts belong on ASCM. Man, that sounds too much like SandInMyAss.
