Greetings once again and welcome to another edition of "HIPcomix Happenings", a weekly newsletter dedicated to the latest news and notes from everyone's favorite adult-themed comic website... HIPcomix.com!

We continue our series of HIPcomix staff profiles with the one and only FINISTER FOUL, who this week happens to offer two great comic updates! Finister was one of the original group of artists who launched HIPcomix.com years ago, and after all this time he is still going strong. Let's find out a little more about him, shall we?

- Nickname: Finister Foul
- Age: 43
- Location: United States
- HIPcomix position: Amateur cartoon villain and artist
- HIPcomix stories: Misadventures of Pink Pussycat, Agents of D.E.S.I.R.E., Tarra Nova, Valiant Woman
- Favorite characters of your own: Pink Pussycat, Max Indeks
- Favorite story of your own: It's always the one I'm currently working on
- Favorite HIPcomix character (aside from your own): Emerald Tiger (nice kitty)
- Favorite 'mainstream' heroines: Catwoman (Julie Newmar and 90s animated versions), Aeon Flux (cartoon version)
- Favorite 'mainstream' comic series: "Danger Girl" original series, Jim Balent's "3 Little Kittens", 1970's/80's Red Sonja comics, Robert Bishop's "Fanni Hall" bondage series – Bishop was the Da Vinci of bondage art!
- How did you get into creating comics? I was imagining erotic stories in my head before puberty but never had the patience or talent for drawing. Then I discovered the 3D Poser comics of Mr. X and it was a total eye-opening experience. I've been learning how to use Poser since 2002 and turning my demented fantasies into erotic comics.
- Upcoming storylines: Pink Pussycat in "Feeding Frenzy" and "A Purrfect Pet", Agents of D.E.S.I.R.E. in "Pony Tales", Dr. Robo's Sunday mind control comix, Dumbtime's "Freedom Broad" series, Trishbot's secret project (it's hush hush), SuckerPunch's "Sky Sentry" series, members' request stories like "Kinky Katnapping" and "Winner

Takes All"... all at HIPcomix!

This week we have FIVE fresh updates designed to stimulate your mind as well as your body. They are as follows...

Max Index has taken The Dollmaker s prized creation with him back to APEX Laboratories for a few minor modifications. There is only one place to find out& HIPcomix.com!

This week starts with an unholy union of evil villains coming together to form a collective of Super Villains. Mesmero, Rocko Smash, and even more frightening fiends unite to thwart the do-gooders of University City.
