This week we have SIX new comic updates for your viewing pleasure, including a bonus DOUBLE update from Timo!

From TIMO:

Sharp eyed readers of XXTREME ADULT ADVENTURES, JUSTICE LEGION, MS. MIDNITE and company have discovered that we often plot our stories as far as a year in advance. This week we bring you part of an XXTREME ADVENTURE that has been percolating on the web for almost five years!

TRACI STARR, MISS MIDNITE, has had a long run here at HIPCOMIX.COM, but did you know that her adventures actually began at I-Comix? That's right, our plucky HEROINE IN PERIL began her web career over at ActionBabeCentral almost five years ago. Way back then she was involved with JUSTINA DIVINE, and the heroines and villains over at I-Comix! And the villain that she and Justina and company battled was none other than the mysterious LORD GATEZON!

This week as our updates are split over two days, we'll finally start to explain just what LORD GATEZON is up to, and why he and the villains of the DEVIL'S BARGAIN are out for the blood of MISS MIDNITE!

The story tells the terrible story of the TRACI STARR from another time-line, but it's also the story of dozens of MISS MIDNITE'S and starts to explain why their fate is tied to LORD GATEZON, ZACHTAVIAN

ZEMLOCK, and a host of other characters.

This week Traci narrates the sad tale of her humiliation and captivity at the hands of the vile MAGDELENA and CRAZY IVAN. Please be warned readers, this is not a story with a happy ending.

Don't miss out on any of the adult action in this week's first episode of **XXXTREME ADULT ADVENTURES: THE TIME RAIDERS!**

This week's story takes us to San Francisco where we meet the super heroine team known the world over as The Challengers!

The eccentric leader of the criminal organization known as the Circus Euphorium has taken two of the Challengers hostage. It's up to Sea Sapphire and two squabbling rookies to come to the rescue! Of course, things are always more complicated than they first appear.
