... and leave Fatt out of it?

I'm surprised Jeff.

She butted into the *fray* of her own volition.
Anyone who *celebrates* the death of an innocent man does not deserve to be defended.

Dave, I wasn't defending her. Please read my post to Dale. Thanks.

"...Then they can finish it all up at the Holocaust Museum in Washington DC and pay a condolence call to that poor old man who was shot at the museum merely because he brought in an old rifle and killed big bad Officer Johns. (I am being sarcastic, of course)"
