I guess you didnt read the fine print.

Or, you are just another leftist whack job.

I guess you didnt read the evidence and the fact that the Supreme Court upheld the decision.

It's not just Bush, by the way, but if it makes your pussy drip less to think that way, by all means.

- > I do not doubt he iwas just used as a scapegoat to "cover up" the

Had plenty of reason, reason enough that the supreme court upheld the decision.

Man, the killfile is getting a workout this week.
