Yup, yer gonna keep me alive years after I'm dead and buried bitching  
about me  
at the GU/TX DZ's

Heh – made 17 jumps this past weekend, Jinnie.

And people just off student status should take note of that and spend  
their money on gear and lift tickets—Coaching if needed at all is not  
needed till way later...getting in the jumps to quallify for an A,  
studying their SIMS  
and working on accuracy is far more important—then follow the BR for
