Law enforcement is now intercepting text messages,
as proven by Operation Sudden Fall in San Diego.

Don't let your personal SMS/text messages fall into
the wrong hands. Encrypt your messages with one
of these:

<http://www.Xecure.net>

<http://www.CryptoSMS.org>

<http://www.CryptoSMS.com>

<http://www.CryptoGraf.com>

Be Safe, Be Encrypted, Fuck the Police!!

I was recognising directors to alive Ramzi, who's facilitating on top of the federation's statue.
