Toad: I didn't make an argument. As far as what i think -- anything more than two observers, for any game of ultimate, no matter the stakes, would be overkill.

well i'm sure i'm not the only one that disagrees withyou on that.....especially sinse they are RESPONSIBLE for ALL line calls. Sorry but nobody is fast enough to cover all that ground.

I made no assertions one way or another

about how much is being spent now, or might be spent in the future, on observers.

i guess i just interpreted that implification.

I do assert that it's idiotic to have 4 or 6 observers

involved.

so everyones an idiot but you eh?
