Dear Will,

I try to avoid those, if I haven't tell me and I will remove them. I don't appreciate guesses of wishfull thinking.
Leo

PS. They can be recorded but should be shown to be unreliable. Which is why I don't want to record them.

Well there are sources that trace modern lineages right back into the Old Testament. Not that they are reliable, but yet they exist.

Our judgement tells us these are fictitious. We can however still record them.
